Washington, D.C. 20242

Dear Mr. Sticker,

Thank you for your letter of October 29 concerning the delineation and origin of the names of the mountain ranges bordering Yellowstone National Park.

Let me assure you of my continued interest in this, since I hope my book will be scholarly and correct. I shall therefore look forward to your reply, when decisions have been made.

Thank you again.

Cordially,

Richard A. Bartlett
